Pastor Wayne Cofield

Dear Friends and Family,

We serve a good God! It has been our pleasure to serve Jesus another month in this sin cursed world. We see people following Christ, joining the church and being trained for ministry. We are thankful to be a part of His work.

Just a couple weeks ago I had the privilege of baptizing three teenagers in the church. The great thing is that other young people in the church were the ones responsible for bringing them to Christ and helping to disciple them. Two of those young people, Aqhama and Lilitha, are being discipled by one of the young preachers in training, Damien Ras. Pray for these young people to grow in Christ and to serve him wholeheartedly.

In other news at Grace we have three families on the verge of joining the church. They are going through our new members class called "Growth Track." Once they finish that they will be able to go before the church for membership. We are so thankful for how the Lord is adding to the church. The giving in the church has been doing very well also.

Just to update some of you that are wondering about the van that was purchased for the Bonds family (a South African missionary family). The transmission and computer went out on it. We were able to help them get it all fixed for $2000. They are up and running and using the van to minister each week.

I am continuing to teach in the Bay Baptist College. I am finishing up Genesis part one. We will continue with part two next semester. All the students worked hard and did a tremendous job on heir mid-term exam. There are a couple other young men that should be taking these classes. Pray for those young men, that they would get serious about their calling and start training to serve the Lord.

On Wednesday nights we are doing a Deacons in Training class for our young men and older men's combined class. We are trying to help all of our men see that a deacon is an ideal man in the church. He should be he kind of man the younger men can look to and hope to be like on their way to being like Christ. Pray for the church to have some good deacons in place before my upcoming furlough. (Furlough for us will be late this year or more likely 1st qtr of next year.)

Another exciting accomplishment to mention is our FAITH BIBLE INSTITUTE students are finishing the three year course in a couple of weeks. They have worked hard the past 3yrs and have all made excellent grades. I believe there are 6 graduating in total!

In closing let me mention a very serious consideration going on in our family right now. We are very seriously considering adopting two girls, ages 2 & 4yrs old. Corli will be talking to the social worker on Monday. Pray for us to make the right decision in this matter and if we go ahead, for the process to be finalized quickly. We would be very grateful for your prayers about this serious matter.

Thank you once again for your prayers, support and friendship. We cannot say that enough. Take care and may God bless you all!

Doing Our Reasonable Service,

Kevin, Corli, Clark, Lana, and Hudson Hall
