Updates

Please pray for Rut (Ruth). She is a faithful teen girl from my bus route. Rut went into the hospital this weekend with severe abdominal pain. The doctors have preformed an exploratory surgery, but they are not sure about the exact cause of her pain and the infections they found.

In February, we held Vacation Bible School in three different locations. We were able to reach a large group of children and adults. Please pray as we continue to work with the contacts we made from the VBS programs. We also held teen camp for 6 churches in the southern part of Peru. Pray for the 70 teens who came for camp that they will be faithful to the decisions they made for God.

One of our faithful leaders, Wilson, has surrendered to preach, and left to start Bible college training in March. Wilson and his family will be missed in our ministry, but we are blessed to see him seek God's will for His life.

The deaf ministry here in Tacna has passed its one year mark. We still have 5-6 deaf adults who come faithfully on Sundays. I am also helping where I can with the activities in the deaf association. They have received permission to start an adult education class (like GED classes), and I will be able to help interpret for some of these classes starting in April.

I am still holding discipleship classes with Diana and Rosa, and I have now started classes with Sahori (a college age young lady). Please pray for all three of these ladies as they seek to grow as Christians and learn the basics of their faith.

Diana
