"FOR SO HATH THE LORD COMMANDED US, SAYING, I HAVE SET THEE TO BE A LIGHT OF THE GENTILES, THAT THOU SHOULDEST BE FOR SALVATION UNTO THE ENDS OF THE EARTH." ~ ACTS 13:47

July 2018

Miracles happen when we pray! And we want to thank you for your prayers because God has answered in a BIG way!

As you know we have been looking and looking for a place to start the church plant. We praise the Lord how He has provided a place! We have the contract signed and we are getting the building ready! We are currently having services Sunday mornings and Wednesday nights. The building used to be a "mini market." It will seat approximately 80-100 people and currently there is only one kid's room which we are using for a 2-7-year old's class. We are so thankful for how the Lord has provided this place! It is the only building of its kind that we have seen in the area that is up for rent. The owner was asking $1400 a month for this place but he has lowered it to almost half! We prayed about it and we knew God was opening the door for this building! We have taken this building with a leap of faith because the rent is still a little higher then what we had budgeted.

As I have mentioned we have one classroom that is functioning. The building has a space that has walls but no roof. Lord willing, we would like to make this into our children's and youth classrooms. We believe that we can put three to four rooms in this area. This is roughly going to cost between $4,000 and $5,000 dollars to put a roof on and divide the space into 3-4 rooms.

We are asking if churches or individuals would prayerfully consider helping in one of two ways:

1. In order to lighten the load of the rent from the church, donate an extra amount per month for 6 months designated for the rent of the church. This would allow time for growth -spiritually and numerically.
2. Making a one- time gift toward the construction of the rooms for the children's and youth rooms.

If you would have any questions or would like to donate toward these two projects you can contact us at chacon2chile@gmail.com. Checks may be sent to: Macedonia World Baptist Missions Inc., PO Box 519, Braselton, GA 30517. Please note on the check the project in which you would like to help with. We appreciate all you do for us and this ministry and thank you for your consideration for these projects.

May God Bless you all,
