Church Planters In Colorado

January/February/March/April

Dear Praying Friends and Supporters,

It is with great joy and anticipation we write this update. Please excuse our combining the last two prayer letters into one. We are trusting that God knows exactly what is best for us. Mark 7:37a states, "And were beyond measure astonished, saying, He hath done all things well:." We are reminded of a message preached at our home church before we surrendered to go to Colorado about holding patterns. The last few months we have wanted to rush the cockpit and demand a landing, but WE MUST TRUST GOD even when we must wait.

Our goals after we sell our house is to visit our supporting churches, raise additional support, and return to Colorado to plant another church. We had to change realtors because of lack of effort on their part. The new listing agent is on top of everything and we look to have the house sold soon. Please be patient with us as we wait for the door to open.

We have been busy while we wait as Ruth was when waiting for a response from Boaz. Teddy has finished his next degree from ATS. The children are finishing up school within the month and will be ready to help move. Crystal and Priscilla have been cleaning and packing so all that is left is to load the truck and put the hammer down.

Some prayer needs: 1. Pray for swift sale of house. 2. Pray for safe travels and available housing when we do move. 3. Pray (and see what the Lord would have you do) for necessary funds for moving. 4. Pray for good health. (It worked for Priscilla as you can see!!!!)
