Dear Fellow Laborers, July – August 2018

We trust that you are enjoying the blessings of the Lord as we reach the end of summer and the children are back in school. We will always be in God's school of learning until He comes for us.

God blessed us to have the opportunity to preach in a Nehemiah Conference in July. We worked with two other preachers to encourage a Pastor and his church family who are going through some difficult days. We were also privileged to help them acquire an organ through a family who wanted to be a blessing after the passing of their loved one.

A neighbor who recently lost his wife attended the Men's Steak Out at Old Suwanee with us. Please pray for Mr. Johnson to know with certainty about his personal salvation.

We were blessed to be in a service where Cathy and I prayed with a young mother who asked Jesus to be her Saviour. Please pray for Lilly's growth in the Lord and to acquire a better job for her family.

During August we were invited to Connecticut to assist church planter Brother Ricky Davis, with their booth at the local fair. Thursday through Sunday we passed out church literature and witnessed to those with a willingness to listen. We also enjoyed teaching Sunday School and preaching both services. Pray for Emily, who is moving to our area that my wife and I might be able to follow up with her.

Our USA East Mission Team is faithfully serving. The Gherardini family has become the Pastor of the Fellowship Baptist Church where they have served faithfully for many years. The Smiths are presently serving on the other side of the earth giving relief to several missionaries. The Nyes are enjoying the fruit of their labor in Kentucky helping with a church rescue. The Allens and the Millicans are still working faithfully despite some health issues. Mrs. Oliver had a serious fall and continues to have health problems. Things are going well for the Sumakers in TN, the Johnsons in Brooklyn, NY as well as our other Hispanic works with the Rendon, Tubillas and Paquette families. The Wilsons are having good response on their deputation and God is blessing with support. We are humbled to be able to serve as field director with these faithful men of God and their wives. Please continue to pray for each of us as we work together to keep church doors open, propagate the Gospel, and start new churches.

During the past year God has graciously added three new churches to our supporters. This is significant as we have also lost the support of three churches. Thank you for your faithfulness to your commitment to us as your missionaries.

Before the mailing of this letter we welcomed Isla Jae Hansard, born to Nathan and Michelle, September 3rd. We are blessed and all are doing well.
