July 2019

Greetings in the name of the Lord,

Deborah and the boys are doing great. We have enjoyed spending time together with family and friends. We have had some time to do some fishing with the boys and seeing several different things on furlough. We have been to Canada, NC, SC, VA, TN, KY, GA, and Florida. We are about to go to SD for a few days and will go to MI in September. We have traveled a lot.

I would like to thank each of you for your prayers and support over the last year while on furlough. We are looking forward to going back to the field in October. **We still have a few openings left in August**. I will fill in the holes with new churches. I have not felt the need to try to raise support while on my previous furloughs, I do however need to raise my support level back up to 100%. But if any of you need me during the month of August feel free to call me. 757-771-3927.

I will start to finalize our paperwork for returning to the field as well as getting some last-minute things. I don't need too many things on this side. I will however need to get a few things on the other side.

Pray for us we will need to raise money for:

- A new motorcycle around $1,000
- A diesel generator around $1,000
- Shipping a few barrels back $ 600
- We will need to buy land for a church. Our town is starting to boom and land is being bought up all around us. We stopped perusing land right before we left because the time. We will be in a better position to research the land once we get back. We would like to buy 2-4 plots so we can have land to build a church and maybe have a bible college in the future. I won't have an idea of the cost until I return over there.

Pray for us as we are getting ready to go back to Africa and are winding up our furlough. If you have any questions please call me 757-771-3927.

In Christ,

The Harrison Family
