Church Planters In Colorado

July/August 2019

Dear Praying Friends and Supporters,

REJOICE in the LORD alway: and again I say, REJOICE! We have been praising and rejoicing in the Lord every time we tell what God did in Colorado. When we recall how He changed lives, saved souls, and taught people about church, we are still amazed that God used us to do that. It is almost like a dream to relive and retell from the time God burdened our heart, supplied our need on deputation, and planted us there in Colorado.

We were stopping to get a bite to eat at a place we haven't seen for ages (8 years) and saw a familiar face. It was a dear pastor that recognized us and wanted Teddy to preach and our family to sing. That is how we have begun deputation/furlough. We have been in meetings at supporting churches in between the meetings we have scheduled for new support. We are thankful to our home church for allowing us to get right into this part of our ministry.

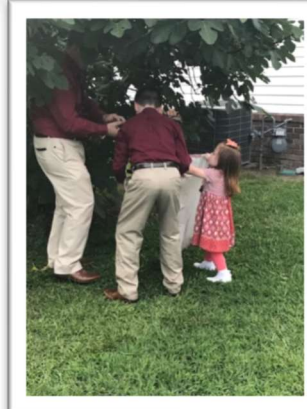

Our hearts were broken when we found out a supporting pastor died. We were looking forward to reporting face to face, but we know God will inform him. Another pastor helped us feel right at home by picking figs after church. We think it was because Teddy mentioned something about planting a garden in the message and how much the family enjoyed working in it when we lived in Georgia.

Pray for our travels because Priscilla gets car sick very easily. We were on our way to a meeting out of state and did not make it because she got so sick, she was even vomiting in her sleep. Pray for continued guidance and power from on high to present the need, prepare hearts, and produce fruit to His glory!!!
