

# REACHING QUEBEC

Sharing the good news of Jesus Christ in Quebec City, Canada

We are pleased to report that our church is thoroughly enjoying the building that God has provided for us. The renovations are going well and the basement is almost completely finished. It has been amazing to see how God has provided for all our needs in this project. We now have a great space for our nursery, Sunday school class, fellowship area, and a spacious kitchen.

We have seen God provide in amazing ways. All the labor to date has been done by skilled volunteers. Our church members have worked hard and joyfully contributed to the work. We've had help from other churches in Quebec as well. What a joy to work with our brothers and sisters in Christ!

We received boxes of new ceiling tiles from a church that had purchased them for a project in their building but then changed plans. The tiles they sent to us were exactly the amount we needed for the basement!

In January, the CLAIM team came to help for a week and really helped move the work along towards completion. Phil and Susan Smith are missionaries that organize volunteer groups to assist other missionaries with projects like ours. The group that came was a great blessing to us.

We praise the Lord that we've had no serious injuries during all the work that has taken place. On that note, please pray for Phil Smith who sustained a serious injury to his hand during a project in Samoa just a few weeks ago. It will take about 12 weeks to heal.

Our next project will be working upstairs to create an office and a coatroom (we need a lot of room for coats here in Quebec!). We already have volunteers from Ontario and from our home church who will be coming in April to complete this project. Thank you to all who have partnered with us through prayer, volunteering time, and giving to accomplish these projects!

In January, we celebrated our 15 year wedding anniversary. We also moved into our new home that the Lord has graciously provided just 5 min. away from our church. We took a trip to the States in February to visit Sarah's dad who had suffered a stroke. He is recovering well and expecting to go home soon. Thank you all for your faithful prayers and support. A special thanks as well to those who sent cards and special gifts for Christmas. May the Lord bless you all for your generosity!
