News and Praises!

Family News: Greetings one and all — It is so great to be writing to you from a snowless north. It has all finally melted. PRAISE THE LORD! The weather is warming up nicely, which gives us so many great opportunities to be out and about even more for the ministry here.

- Amanda and the boys are doing great. The school season is winding down and they are all ready for a summer break here in another month or so. Even Mom is ready for a summer break from school. She works hard keeping the boys on track and the grades entered and test administered. (Oh the joys of homeschooling)
- On another note, I find spring to be a blessing as we are able to get out and talk to folks more. People are very much hibernating during the winter and it is good to see them again in the spring and talk and share the gospel with them.
- I am including a photo of our last snow. Our shed roof partially collapsed from the weight of the snow. We are working with our insurance to try to get it repaired. Please help us pray for that to be done soon. I am having to take the wall off the side to get in to our tools and lawn mower and all right now. :-)

Ministry News: (I am including several pictures of the different aspects of our ministry here in Quebec.)

- Our church is doing well, although we will be losing one of our dear elderly families in the church. He is one of the trustees of the church and a real blessing to our church. They are moving away to be closer to their children during the last years of their lives. This will leave a huge hole for our church people. :-)
- Our chaplain work is doing well at the Plywood factory in La Tuque. We are so excited to see the Lord touching hearts and lives. This past week, we were able to share the Gospel clearly with a couple of employees. We look forward to the day they put their faith in Christ.
- We also had a baptismal service in La Tuque on April, just before Easter. It was wonderful. Sylvette (seen in the photo with her uncle Donat and her other uncle Marcel (all are Atikemek First Nations). Marcel has not yet been saved. We had several lost folks come to see the baptism and here Sylvette's testimony of Salvation. We are still rejoicing!
- In Trois-Rivieres the ministry is moving forward. We have had several visitors over the past few weeks. Please pray for the salvation of these folks, they desperately needs the Lord.
- Our youth are doing well. We had the privilege of going to a tremendous youth Conference at Heritage Baptist Church in Barrie Ontario. There were about 350 teens at the conference from around Canada and the U.S. Our guys had a great time. This was a great time of Preaching, fellowship, and fun for our teens. They really were encouraged in the Lord.

Praises and Prayer Request : 1. We rejoicing for the visitors that have been coming to church. 2. We praise the Lord for the opportunity to preach a funeral recently where the majority of folks were lost and heard the Gospel for the first time. Please pray for the Salvation of these dear folks. 3. We praise the Lord for the recent salvation of Sylvie, (Sylvette's best friend) Please pray for the salvation of **Gabrielle, Kim, Danel, Marcel, Simone, Alexander, Antoine, and Ophelie**. All have heard on several occasions of Christ's love and sacrifice for them.

In Christ service with You!
