*Missionaries to Peru, South America and Beyond*

## Dear Prayer Partners,

Thank you for your prayers and support! This past month has been quieter as we have based at our home church in Wisconsin

during the week. We have been traveling to churches around the area on Sundays and Wednesdays as well as trips to Illinois, Iowa, and Indiana. We are thankful to the Lord for continuing to fill up our schedule for the fall.

## Treasure Island VBS

Every year our home church has a float in 4 local parades and James Ann enjoyed being able to help with decorating the float and preparing for VBS. Thousands of VBS flyers are distributed and we are thankful for the small part we got to have in it! James kept busy dealing with the bus office. Ann worked in the church office with all the paperwork. We both enjoyed being with our home church and getting involved. Praise the Lord for the many that came and were saved!

## Support Update

James has been filling up my days calling pastors and working on getting meetings. Although it can feel slow sometimes, it is a blessing to be doing what

we know the Lord has called us to. Praise the Lord our support is almost to 10%! Over the past month we have been Thank you to all of you who have had us in to present our ministry. It has been a blessing to be with you!

## Family Happenings

Elsie Joy is already almost 7 months old. She is trying to accomplish crawling as well as trying some 'big people' food!

Technology has been a blessing as her grandparents, both in Japan and Peru, have been able to see her grow.

She has quite the personality and enjoys making people think they are her favorite!
