July 2019

Greetings in the lovely name of Jesus! These past 2 months have added over 12,000 new miles to our vehicle as we went to meetings in AR, GA, KY, NE, NC, OH, OK, SC, & TX. We have been in some wonderful meetings, camps, & conferences and picked up several new supporting churches along the way. One very exciting thing that happened, is that my son; who recently settled the call preach in his life; had the opportunity to preach in several places along the way! What a blessing to serve Jesus with your family!

Back in early June, we had the privilege of having supper with a few couples in Allen, TX. It was a wonderful time of food and fellowship. These folks are precious people; but they have not been fed spiritually in a very long time. Some of them have been hurt and disappointed by church planters who have not stayed there for the long haul. It is our desire to love these people, earn their trust, and do our very best to minister to them in any way and for however long it takes to help them. Please pray for God to use our family in their lives.

God is moving in a very special and unusual way here in Midville, GA. We were scheduled to preach a men's meeting Saturday June 22<sup>nd</sup> & all-day Sunday the 23<sup>rd</sup> for one of our supporting churches. God was really moving during the services and people were getting lots of help. Afterwards, the people of the church went and asked the pastor to have me stay through Wednesday evening. I agreed to stay, and as the services went on, people started getting right, and laying sin on the altar. Church members began to testify of how God was helping their lives and homes, to the point they asked if I would stay through Friday. On Friday after the service, people began to weep and testify under heavy conviction. It was so real, that one of the ladies in the church who had really been struggling and was under deep conviction started bursting out loud that she was lost and needed Jesus. God moved in and she got born again! On top of everything that God did all week, 2 business partners in the church decided their business was going to begin supporting us monthly. God lead us to continue on, so last night we began week 2. At the close of the invitation a young man expressed that he had previously made several professions, but he knew it wasn't real and he was going to Hell. He got it settled and says now he KNOWS that he is truly born again. We covet your prayer as we try to carefully discern God's leading and fully obey him in this meeting. It seems like true REVIVAL is happening and God's people are getting closer to him!

In Christ,
