Planting the

Greetings in the lovely name of Jesus! This is truly a beautiful time of the year, when all of creation begins to awake from the sleepiness of winter. We must stand in awe, as we look upon the handiwork of our great God in this beautiful landscape, we call earth! Over the past couple of months, our deputation travels have taken us to various meetings in AZ, CO, CT, MD, ME, NC, NH, SC, SD, TX, VA, & VT. During these trips we have seen the hand of God at work in a mighty way in the lives of people and churches alike. We have seen several folks saved, and we've even witnessed a touch of revival in a few places! To God be the GLORY!!

I'd like to take a moment and give a brief testimony in regards to our sending church. We never want to take for granted the blessings of a great sending church. We have been so blessed and privileged not only to be a part of such a great church, but also to have such a loving and caring Man of God, we lovingly call PREACHER! We are grateful for the many PRAYERS, PROVISIONS, & PREACHERS that our home church constantly makes available to us. Every time we get to be home, we are greatly refreshed and revived in preparation to go back out across this nation with the Gospel!

We don't ever want to become labeled as "TAKERS" or "MOOCH-ionaries" It is our earnest desire to be a blessing everywhere we go and in every way we possibly can. We know that most of you understand that our most effective way to communicate not only our praises and blessings, but also our burdens and needs is through these bi-monthly prayer letters. We would like to ask you to continue praying for us to find the right place to live in quickly. We are excited to see God putting everything together and the support is coming in. We now have 2, possibly even a 3rd family in Allen that are praying for us to get there and start the church in Nov. We would ask that you might consider taking us on for monthly support, if you don't already do so. This will allow us to get to Allen, and give ourselves totally to the efforts of church planting. Also, we do still need some additional start up funds, if anyone would like to help with a onetime gift towards that. We are also begging God to send some laborers to come to TX and help us establish Harvest Baptist Church. We are thankful for your prayers, support, and any help that you have/will give to this ministry for lost souls in Allen, TX. Thank you!

In Christ,
The Leake Family
