Dear Friends and Supporters,

We are so thankful for each of you who have faithfully prayed for us and given so we can be here! We feel honored to partner with you in reaching souls for Christ here in Nova Mutum. This last month, we saw **three boys saved. Ivanderson, Ivanilson and Enzo asked Jesus into their hearts after one of our services!** They have been coming faithfully to every service. Their parents have also been coming regularly but haven't decided to trust Christ for their salvation yet. We rejoice in the salvation of these boys, and we ask you to pray for their growth. They are doing a Bible study every week, and we see small changes in their lives already! It is such a blessing to see God working in lives. **Please continue to pray for their parent's salvation.**

We continue going door to door giving out tracts and inviting people to church. God has already brought many visitors this way. We have been having an average of 25 people coming every week. We also have a good number of kids coming to Sunday School every week. This last week we had an outreach for kids from the neighborhood and we had 30 kids and some moms come to hear the Gospel. **Please continue to pray for salvation of these precious souls.**

On our last letter, we asked you to pray for the church's documentation. Thank you for praying for that. We were able to get everything that was required done and signed by the lawyer. We just need to get things filed and pay the fees the city requires.

We thank you for your part in the ministry here. We truly appreciate the ones who have reached out and letting us know you are praying for us! It means so much to us! When God is working, our enemy is not happy! We have recently been dealing with a spiritual battle and some oppression from other churches in the area. There is one specific group down the road from us that has held services right in front of our church and have been telling people not to come to our church. We know the battle is the Lord's and the victory is ours! We appreciate your prayers for our family and for the work here.

In Christ,

Alex, Jessica, Joshua, Caleb and Josiah Lima
