SEPTEMBER 2019

Psalm 126:6 "He that goeth forth and weepeth, bearing precious seed, shall doubtless come again with rejoicing, bringing his sheaves with him."

During the month of August, we have had the opportunity to take this precious seed to hundreds of people during our Saturday visitation. We have been going door to door giving our tracts and invitations to our church and witnessing to the ones who give us the opportunity to do so. It has been such a blessing to see the fruits already! Last Sunday we had **8 first time visitors** that we had invited during our visitation! They filled out the visitor's card requesting for us to visit them as they are interested on a Bible Study. **Please pray these precious souls will come to know Christ!**

Stefano, Thereza and family are still coming regularly to the services. Please continue to pray for this family's salvation.

Today we had the opportunity of giving away tracts and Brazilian flags at the Independence Day Parade. Please pray that the

seed sown will bring forth fruit. It's so exciting to see God at work! We are looking forward to seeing what He will do in this city.

We have been working on getting our church legally started. This has taken a lot of work reading and preparing documents and talking with others with knowledge in the area. God blessed us with a man whose ministry is helping churches with the documentation. Right now, we are just waiting on getting the paperwork back from the lawyer who must sign it so that we can get things registered here in town. This man has saved us hundreds of dollars and we are very thankful for his ministry! **Please pray we can get the documents back and everything organized in a timely fashion.** This will save us so much work in the future, and we believe it's also a good testimony to have everything as the law requires.

We are very thankful for each of you who have been faithful in your support and prayers for our family and the ministry in Nova Mutum! In Him,
Alex, Jessica, Joshua, Caleb and Josiah Lima
