

THE LOWE FAMILY

YOUR MISSIONARIES SERVING IN THE BAHAMAS

March & April 2019

I continually stand in awe at how the Lord uses His people to provide for His work. It is an understatement to say that we have had nothing but challenges when it comes to our church vehicles. Several years ago we were able to come up with enough money to purchase a used bus from the States. It served us well until we started running into expensive mechanical issues. Heather's father and a bus mechanic from one of our supporting churches even came down for a week to see if they could get it back running. We finally said enough was enough and made the difficult choice to stop spending money trying to repair it. This left us with a huge hole when it came to picking people up for church. A few of our people helped out when and where they could, but most of it fell on Heather

and I picking up people in our vehicles, and this made space limited. This also made it very difficult when it came to our annual VBS Sports Camp. Well, God laid it upon the heart of one of our supporting churches (Fellowship Baptist Church in Durham, NC) to surprise us by purchasing a bus for our ministry. They had sent down a missions' team to serve in our VBS last summer and went home burdened about our need in this area. They not only purchased the bus, they also made some repairs and had our church name put on the it. They even had two of their men drive it from North Carolina all the way to South Florida and put it on the boat to ship over to us. We kept it a secret from our people and were able to have a surprise revealing. We had a dedication prayer for

it and for the souls that will be impacted for the Lord as they ride it. Please pray with us that it will be used mightily for God's glory.

In April, we had seven adults and teenagers successfully complete a 13-week Bible Discipleship program. We met on Monday evenings going over basic Bible principles and doctrines. They had assignments to complete through the week and were also required to memorize several verses. It was so exciting to see these young converts take this step and grow in their relationship with the Lord. Please help us to pray for these that they will continue to have a desire to grow and serve the Lord.

PRAYER REQUESTS:

- Pray for the new bus and for wisdom as we start up a Bus Ministry.
- Pray for Audrey as she finishes up her high school and gets ready to go to Bible College in the fall.
- Pray for land/building for the church.
- Pray for the spiritual growth of the church.
- Pray for continued safety.
