

# JERRY & DEE NYE

**Reviving Baptist Churches**  
(A CHURCH RESCUE MINISTRY)

October- December 2019

Dear Praying Friends and Co- Partners,

Another year is ending again. Where does the time go? In the last quarter we finished helping the church in Florida and went to another church in South Florida just for a Sunday. Dee's family called and said that her older brother (Jack) was in bad shape. We made a quick trip to Washington State and spent some quality time with the family. We witnessed to Jack when he was in Georgia but he didn't get saved. He passed on Sept. 7<sup>th</sup>. We made another trip to Washington for the funeral. He was involved with the Elks and the Lions. The service was held at the Elks club. I was asked to speak at the last moment. Jack's younger brother said that he had trusted Jesus and was ready to go. I got to preach to more than 200 with a clear plan of salvation before they got drunk. Many family members were there also and heard the message. Only time will tell the results. Praise the Lord for the opportunity to give them the Gospel.

I heard a TV commercial that said that the average person moves about 11 times in their lifetime. When I heard that I started listing my moves from a boy with a career Navy man as a father. I was in the military as well and adding the moves as a Macedonia missionary. Our last move back from Florida was number 50. I still like to travel but I'm tired of moving. I have been praying for a church close to home so we could stop packing and renting a truck or trailer and sleep in our own bed. We are in our seventies and moving isn't as easy as it used to be.

We just returned from a trip to Canada for three weeks. As you may remember our Son in law, Gordon Horton, is a missionary with Macedonia and has a work in Oshawa Ontario. We preached and taught for the church he pastors and it was a great time with good friends and family. Our last Sunday there, we traveled Kapuskasing, Canada, about 10 hours North of Oshawa. They haven't had a pastor for some time and we wanted to meet them. There were 13 for the morning service and 9 at night. I had good liberty to preach and we enjoyed a fellowship meal after the morning service. There was so much food that we had another meal after the night service. This is a remote place and the winters are brutal with -50 F. temperature and 6' of snow. Do you feel the call?

We all went to Connecticut for a missions conference at a supporting church. I was asked to speak to the men after a Saturday morning breakfast and then go door knocking with a church member. The member I was sent with was a good friend that I had gone with before. We got to lead a young father to the Lord. We had prayed for the Holy Spirit to go before us and this man was ready. Some plant the seed, some water and some pick the fruit. What a day for picking. Thank God, He is still in the saving business. Pray for us as we labor for Him. Keep looking up .

In His Service,  
Bro. Nye (Titus 1:3)
