## MISSIONARIES TO WALES

Dear Pastors, Churches, and Friends,

Let me begin by saying the Lord is good. No matter how crazy life seems or how stressful situations may become, God is still good, and He has proven that to us again this month.

First off, we were blessed to be in twelve different churches this month, and nearly all of those gave me a chance to present our burden for Wales. Our schedule for the fall is nearly full, and we're looking forward to several missions conferences during that time.

Secondly, we are thankful for God's protection. Dana was in a car accident near the beginning of the month when she was struck by another vehicle. No one was injured in the crash, and the damage to the vehicles was minor, so we praise the Lord for that. We have had to battle things out with the insurance company who is refusing to accept full liability for the accident, and we would appreciate your prayers that the Lord will work this situation out.

We've also seen God's goodness in the progress we've made in our home renovations. We're finally beginning to see the light at the end of the tunnel, and we're so excited to see things coming together. Lord willing, we'll soon be traveling the country in our motorhome as we raise our needed support. Please continue to pray as we transition from home-owners to nomads and also as we continue to search for the right home for our dog, Barnabas.

On a bittersweet note, we bid farewell to the Downeys today as they left the states to return to their mission work in Wales. This is an emotional time for them, so we ask you to keep them in your prayers as they strive to serve the Lord and adjust to life far away from family and friends.

Thank you for your love, prayers, and faithful support!

In Christ's Hand,  
*Jason and Dana*
