## MISSIONARIES TO WALES

Dear Pastors, Churches, and Friends,

Another month has come and gone, and what a whirlwind of activity it has been. As I mentioned in our last letter, we are preparing to sell our home, so we've been busy making repairs and doing the "touch ups" recommended by the realtor to hopefully gain top dollar. The work is going well though much slower than we had hoped. It was our prayer that we would be able to sell the house and purchase the motorhome by mid-September, which is when we have meetings as far out as Texas. Currently, that doesn't look realistic unless God moves in a mighty way, which we know He is certainly able to do. Either way, we will continue to do what we can and trust He will work all things out for our good and His glory.

We've been privileged to attend some wonderful meetings over the past month and to meet some precious brothers and sisters in the Lord. God has also blessed us with additional monthly support, bringing our new total to 20%. We're so thankful for all of you who are faithfully giving toward our mission goals and want you to know how much we love and appreciate you.

We haven't had as much time to spend with the Downeys as we had hoped because we've been so busy with the house repairs. However, they were able to come over and help us a couple of times, and that was truly appreciated. We've also been able to attend a few meetings together. They'll be heading out to Kentucky in the next few days, but we look forward to spending a little more time with them when they return to South Carolina before leaving to go back to Wales.

We know you lift us up in prayer regularly, and we cannot tell you how much that means to us. If you would, please help us pray about our housing situation and also that God would continue to grant us the strength we need to juggle house repairs and full-time deputation. We desire God's will be done in all areas of our lives, and we truly appreciate your help in praying over these matters. God bless you and your work for Him.

In Christ's Hand,
