MISSIONARIES TO WALES

Dear Pastors, Churches, and Friends,

The month of May has been a whirlwind of activity with drop-ins, scheduled meetings, mission conferences, and more. The highlight of the month was our missions conference in Dickson, TN with the wonderful people of Hillview Baptist Church. This was their first missions conference, and let me tell you, they did it right. What a blessed time we had during our stay there! As an added blessing, the church took us on for monthly support, which brings our support level up around 15% or so. We praise God for this and for all of the meetings we were privileged to attend this month.

My job situation took a positive turn followed promptly by a negative, downward spiral. My boss was able to hire and train what seemed to be a loyal, hard-working employee. My schedule had dwindled to just a few hours a week, leaving me ample time for doing the work involved in deputation. Unfortunately, after his first full week of working solo, the employee quit without notice. Unwilling to leave my employer in a bind, I have agreed to pick up the slack for the time being, but I'm not sure how much longer I will be able to juggle full-time work and the demands of deputation. We know God is working all things for our good, even in what seems to be a messy situation, but we would greatly appreciate your prayers in this matter.

Another matter we're currently dealing with is finding a new home for our dog, Barnabas. Being a pitbull, he is not allowed to enter the UK, so we've been praying about a new home for him. We have a lead on a family who is willing and even eager to take him in, but we are seeking God's guidance in this matter. We want the transition to be smooth, and there are many factors involved in this process.

Thank you, once again, for your love, prayers, and financial support. We cherish them more than we can explain. Knowing so many of you are standing in the gap for us makes the journey so much easier. God bless you for that!

In Christ's Hand,
Jason and Dana
