## MISSIONARIES TO WALES

Dear Pastors, Churches, and Friends,

What an exciting and action-packed month we had in October. We had the joy of attending four different missions conferences and several other church services as well as the chance to serve in various ministries ranging from speaking in classrooms to encouraging at the nursing home. We put many more miles on our car, but it was worth it to be used of God and to see Him work in such mighty ways.

While we had a wonderful time at each and every meeting we attended, the highlight of the month was during our second missions conference where Jason was invited to speak during the elementary chapel. At the close of the service, three children came forward for salvation, and we were able to lead them to the Lord. During the course of the day, three others approached their teachers about getting saved, and each one made a profession of

faith. What a blessed reminder that God is still in the saving business! We are also excited about the many new friendships we've made along the way. While deputation can be daunting at times, it is exciting to meet brothers and sisters in Christ and to form friendships that will last a lifetime. We praise God for each opportunity He gives us to meet new friends and present our burden for Wales.

The work on the house is still ongoing, but we're starting to see the light at the end of the tunnel. As I type this prayer letter, the exterior is being pressure washed.

Lord willing, the realtor will be by at the end of this week to check our progress and help us prepare for the staging process. It's been a lot of hard work, but we trust the Lord will send great rewards for our labor.

Thank you so much for your love, prayers, and financial support. You are on our hearts and in our prayers. Words cannot describe how much you mean to us nor how much your efforts encourage us. God bless you!

In Christ's Hand,
