MISSIONARIES TO WALES

Dear Pastors, Churches, and Friends,

It's already a full week into October, and I'm just now finding the time to write this update for September. Yes, we've been busy over the past month, and one glance at our fall schedule tells me the busyness is unlikely to end. In order to fit all of our announcements into this one-page letter, I'll skip the formal transitions and give you more of an outline.

Ministry: We traveled over 2,000 miles last month and enjoyed taking part in a couple of different missions conferences. We were blessed with safe travels and had the opportunity to meet so many wonderful people with a real heart for missions. Additionally, two more churches took us on for support and a couple of others indicated they would likely take us on soon. Praise God for His bountiful blessings!

Home: We had hoped to finish up the house repairs and have it on the market before beginning our long stretch of meetings, but it was evidently not in God's timing. We have another couple of weeks worth of work to do, and Lord willing, after that, we'll be able to put it on the market and hopefully see a quick turnaround. We're still prayerfully considering the motorhome we want to purchase and ask you continue to pray for guidance and that God will bring the right one around at the right time.

Barnabas: Everywhere we go, people ask if we were able to find a home for our dog. The answer is. . .yes! Three days before we were set to leave for a missions conference in Texas, a young lady contacted us about her interest in meeting Barnabas. At the end of that week (the day before we would have had to surrender him to the shelter), she took him home with her. I don't have the space to detail the miraculous circumstances surrounding this transition, but I can tell you without a doubt, God was in it. Thank you for your many prayers about this special need. God answered our prayers right on time!

In Christ's Hand,
Jason and Dana
