SEPTEMBER/OCTOBER 2019

MISSIONARIES TO PERÚ

October has been missions month here at Iglesia Bautista Calvario. One of the Scriptures that especially encouraged me was Matthew 28:20 where the Bible says, "...and, lo, I am with you alway..." Isn't it comforting to know that Jesus accompanies us and gives us the strength, wisdom, and power to do His work? Thank God that He is with us as we do our part in taking the Gospel to the world!

Upcoming Plans...

Please pray for our family as we travel back to the United States on December 9 for a 6-month furlough. Please pray also that God would provide a vehicle to use during that time, and that He would give us safety in travel.

Meanwhile, the church here in Peru will be entering into a busy ministry time with different Christmas outreaches and summer activities (teen camp, VBS, etc.). Please pray for strength, faithfulness, and spiritual growth for our people during this time.

Mission Conference

World missions is the very heart of God. Our hearts were stirred this month as we heard from 4 missionaries who are taking the Gospel to different parts of Peru and South America. O, how we desire to see the Lord stir the hearts of our church people as well as our own to do more for World Missions! We hope to support more missionaries as a church in this coming year. Please pray that the Lord would give us a great Faith Promise commitment.

Discipleship

It has been a blessing to continue teaching the Bible to new believers. Please pray that these folks would purpose in their hearts to be obedient to the Lord. What an encouragement to see people excited about learning

more and beginning to serve the Lord!

Salvation Decisions

We rejoice that a young lady who has attended the church for several years was recently saved. Also a lady named Yovana, who has recently been diagnosed with cancer, put her faith in Christ, along with 2 of her friends.

We are thankful to serve in a country where we are free to preach the Gospel, and ask that you pray for Peru and its surrounding countries, as there has been much political unrest in recent days. In January, there will be elections here to appoint a good number of new leaders, with a presidential election the following year. We know that God is in control of all these things and pray for His will to be done.

We so appreciate your prayers for our family!

Yours for souls,

Robert & Sara Stover and Family
