Dear Praying Friends, and Fellow Laborers,

SO BLESSED: We are so blessed because we have kind and caring folks like you, who pray for us, and support us financially each month. Also, I have a faithful wife who stands with me, and we have five children that love us, and support us as parents. Mark, our son is a preacher as you know. Also we have two grandsons who are preachers, Charlie and Tyler Tinsley. Charlie teaches at New Manna Christian School, Marion, NC and we attend the church there. Our granddaughter, Ashley Tinsley, is also a teacher at Missionary Baptist Christian School, of Missionary Baptist Church in Pickens, SC where she and her family attend. All five children are in church regularly, Praise the Lord, WE ARE SO BLESSED by our amazing Lord and Saviour in so many ways. God is so good, and He is good all of the time!

MINISTRY: We continue having new ministries added. I have meetings every month at Blue Ridge Terrace Apartments in Marion, and still teach a Bible lesson at the Autumn Care Rest Home every Sunday in Marion, NC. I am available for preaching meetings, and especially concerning missions. We have 28 years of experience in missions, and believe we can be of service in this area. I am 80 years old, but have no intentions of stopping, until death takes me, or when Jesus comes again. The churches in Cyprus are doing well, and we are able to assist them with online studies. Our Ph: **(828) 205 2058**

Still serving Jesus, with your help,

The Tinsleys
