Dear Praying Friends, and Fellow Laborers,

**SO BLESSED:** (Ephesians 3:20, 21) "Now unto him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us, ... Unto him *be* glory in the church by Christ Jesus throughout all ages, world without end. Amen."

God has been so amazingly good to us. We have seen many prayers answered, when it seemed there was no hope. However, God answered and has given us great hope in so many areas of our lives. Praise be to His holy and Almighty name. We are not able to ask above, or even think above what God is able to do. We asked prayer for Wendy Tinsley, who has leukemia, in our last prayer letter. Well, God is working, and her condition is improving just a bit. Thank you for praying. Please continue to pray for her, and for all of our family members, some who are facing health challenges.

**MINISTRY:** We are also praying that God will send laborers to Cyprus to assist in the work of the churches there. They have continued on, but still need help. Please consider going as missionaries. However, we have been able to assist them with online studies. We are continuing with our ministries here in North Carolina. Recently at the Autumn Care Rehabilitation Center in Marion, NC, the family of one of the patients was called in, as she was dying, they thought! However, God surprised them, and she recovered and was in the services the last two Sundays. Praise the Lord! It is not over until God says it is over. Amen!

Still serving Jesus, with your help,

The Tinsleys
