Ministry

To God be the Glory, for another few months of incredible blessings in the ministry. September saw us taking part in our first wedding here, as one couple from our church allowed us to be a part of theirs.

Since our previous letter we have had yet another baptism; this time in October when the water was already nice and cold. We also used the month of October to put a special emphasis on sharing the Gospel beyond our city. Each Saturday in October we went to different cities, with a few car loads of people, for soul winning. The first Saturday was spent in Antwerp, helping the Baptist church there to give out gospel tracts. Please pray for this church, they have recently lost their pastor and are in urgent need of God supplying a new one. The second Saturday was spent street preaching and giving tracts at the Grand Square in Brussels, with a man from our church who goes there weekly. The third Saturday was spent in Mons, working with the Calvary Baptist Church to go door knocking. Then the last Saturday saw us taking a rather large group to the city of Bruges, to give gospel tracts and street preach.

November was an exciting month as well, we added an additional door knocking ministry to our regular weekly ones, that has helped to get more of our church actively involved in soul winning. We also had the privilege of hosting Jim Morgan and his family at our church. Bro. Morgan has been a missionary in Romania for over twenty five years, and is the missionary who led my wife to Christ. While he was here we had a men's meeting where he spoke to the men and a separate lady's fellowship where his wife spoke to the ladies, both of which were the largest meetings of this type that we have had so far. We also had a special service honoring our Christian heritage, which Bro. Morgan preached, that tied our previous high attendance of just over 70 people. We had the blessing of getting a short visit from our dear friend Bro. Leo Diaz of Impact Video Ministries earlier in the month as well.

With this letter, instead of pictures, I wanted to give you something more special. So instead we had people from our church to write thank you notes for your faithful prayers and support. Our people do not take for granted your sacrifices, so that they can have a church; so please read their heartfelt thank you.

Personal

Our biggest personal news is that baby number three is on the way. It's too early to know anything else, but please pray for momma and baby. I guess it is true what they say, that when one baby starts learning to walk; they are getting out of the way of the next. I ask you also to pray for us that it seems we may have some trouble with some of our United States documents. It is not a cause of concern, and doesn't affect our ministry here; but it is likely to be a huge inconvenience to deal with.

Prayer

- Pray** for our family that we might serve God faithfully, and raise Josiah, Emily, and our baby for the Lord.
- Pray** for the building need, especially for guidance and for the financial need, which God is providing.
- Pray** for our door knocking, student ministry, street preaching, tract distribution, and other ministries.
- Pray** for the situation with our United States documents that it can be resolved, as easily as possible.
- Pray** for the Baptistenkerk Antwerpen as they seek God's will for a new pastor, and we try to help.
- Pray** for The health of Lory and the new baby during the pregnancy, and beyond it as well.

Thank you for all of your faithful prayers for us, you are a much needed part of the ministry and will never know how much of a blessing you are to us, at least not on this side of eternity.

With Sincere Gratitude,
Bro. Junior Haley
