BRING BRAZIL TO ME

Acts 9:6a,
Matthew 14:18

Nov ~ Dec 2019

Dear Pastor and Co-laborers in Christ,

Heaven just got sweeter for our family recently. On December 19, 2019, my (Scott), mother went home "to be present with the Lord" (2Co. 5:8). Dr. Charlotte R. Allen was seventy-eight years old. She was born again in 1964. And she and dad, Dr. Phillip R. Allen, have been serving our Savior as missionaries to Brazil and the Portuguese speaking people around the world for nearly 51 years now. Her obituary and a tribute video can be found at the following link: <https://www.meadowsfuneralhomeinc.com/serviceInfo?id=1833>. Please continue praying for dad throughout this "time of need" (He. 4:16). He suffered a slight heart attack on the day of mom's passing, and due to an increase of fluid in his lung, he is now required a continual use of an oxygen tank. And his chemo treatment has been bumped to every two weeks from every three.

For seven years now, we've been praying with our daughter and son-in-law, Pastor Jonathan and Rebecca (Allen) Smith, that God would give them a child. And we're excited to report that God has granted them and us this request! Their first baby is due June 2020! It will be our third grandchild. Praise the Lord!

Our adult Sunday school enjoyed a day-trip with the Pastor at a fascinating farm in the mountains. We had fun hiking up and down a crystal clear river with several mesmerizing cascades and rapids. And we had a good laugh petting a cow!

We had an exciting church-wide family bowling night back in November. And for the sake of space. We can only say, "WOW!" That kicked our Christian fellowship up a notch! Everyone's constant inquiry afterward was, "when is the next one?"

We took our young people to one-night indoor camping in Jaraguá do Sul. A neighbor city to us. When we picked them up the following day. It was undeniable that they hadn't slept much! But. They're already planning to go again next year!

Thanksgiving Day was quite refreshing for us. Donna and I and three other families got together and thoroughly enjoyed lots of American food and deserts! We played games, and English dominated our conversations.

Our church's Christmas picnic was a great blessing. Our young people and the children really enjoyed their time splashing in the river. The grilling was terrific, and the fellowship at the table was encouraging. And we believe God was honored and blessed us in the devotional afterward.

Thank you for the over and above monetary Christmas offerings. And we also praise the Lord for the offerings given towards our car's recent overwhelming maintenance expense.

We appreciate your thoughts and prayers for us. We suffered not being able to be at mom's side and with our family during her last moments. We're sorrowful now, as we will miss her tremendously. But, we're comforted knowing that she is "with the Lord!" And we will see her again! Amen!
