"And I thank Christ Jesus our Lord, who hath enabled me, for that he counted me faithful, putting me into the ministry." 1 Timothy 1:12

Feliz Año Nuevo! Happy New Year!

May God give us like Isaiah (ch. 6) CLEAR, SPIRITUAL 2020 vision to see God in His holiness and majesty, our unworthiness and the condition of the lost!

In 2020 we'll be visiting churches on furlough until July.

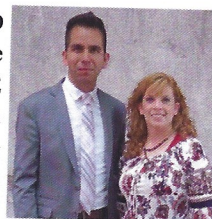

We have openings if you would like us to give an update on what God has done in Mexico, share the

vision for future ministry and encourage your church in missions. You can contact us by phone, email and social media.

Team of Light & Hope Testimonys

We begin this month to share testimonies from the teams working in the 2 churches Living HOPE & LIGHTHOUSE Baptist Churches. We begin with a young man named Saul

I was born in a Catholic home, where I continued as a boy following the Roman Catholic religion of my parents. As a child I began to attend a kids club where they taught me the Word of God. It was when I was 19 years old, that a friend of mine saw me in the street one day and invited me to church which he attended. I attended at which time they invited me to a youth meeting. It was there that they shared with me the plan of salvation and I finally understood that because of my sin I was headed to hell and decided to accept Christ as my personal savior and Lord of my life. This was in March of 2005.

Saul is now my brother in law by marrying my sister. You can continue to read his call to ministry at our blog.

We are currently updating our blog to eliminate adds. Sorry for the inconvenience

Update on Property Project

Towards the end of 2019, we made an offer for the property where we were for 10 years. Unfortunately, but according to the will of God, the owners rejected our offer and gave us a month to leave.

The church saw God miraculously provide a place temporarily while we sought God's direction.

We are excited about a property right next door to where the church is meeting temporarily. They are asking a lot less than the other place but it is big enough for the future vision God has given us.

Currently, God's provided through much sacrificial giving over 13,000 USD. We are in the process of seeking God's direction on making an offer and believe that God will miraculously provide for the purchase.

Our vision is to have a permanent home for the church and a base for the Valley Baptist Institute by building dormitories and classroom space for the training of men and women to start more churches. Next month we will share the 20/20 vision God has given us.

Furlough Report

Since the beginning of January, we began visiting churches. Karla, Alexandra & Carter are blessed to attend the church school at Bethel Baptist in Philadelphia.

I spent a few days at the home office of Macedonia World Baptist Missions in Braselton, Ga. What a blessing it was to also spend a couple of days with our director Bro Fred Kindhart in SC. From there I am grateful to have spent 2 days with a good friend who very graciously gave us a vehicle for visiting churches.
