

Macedonia World Baptist Missions, Inc. Newsletter • February 2020

The turning of the calendar from one year to the next brings about one thought to the office staff of Macedonia World Baptist Missions: taxes. You may be thinking, “But Tax Day is not until April 15.” However, for the office staff of MWBM, January 31 is the day that matters. The last day of January is the deadline for having all the necessary tax documents to each missionary family so that they may file their taxes on time. Can you imagine the great responsibility that goes along with keeping your expenses, love offerings, and housing expenses in order so that your tax documents will be correct? Not only that, you must make sure that each donation received throughout the year is properly logged and credited to the correct donor. Now, imagine doing that record keeping for over 125 missionary families. It is a great responsibility that takes our office staff many hours of work. They must review and double check numbers and documents to ensure their accuracy before sending them out to the missionary families. Tax documents and the accounting are one of the big parts of Macedonia World Baptist Missions.

A consistent prayer of our office staff during our morning devotions is for more laborers. We are excited that the Lord is answering those prayers. We have seen a great number of applications since the first of the year. Our office staff works diligently to research each candidate, question them concerning doctrine and practice, and interview them to be sure that we are a good fit for each other. Yes, it is a time-consuming process, but it is very worth it. We feel it is our responsibility to protect the testimony of MWBM.

The year of 2020 will be a busy year at our Home Office. In June, we are excited to host our first annual Reach the World Youth Conference. You can find more information regarding this event on our website. Also in June, we will be hosting our annual week of Orientation. We look forward to having a great number of missionary families on our campus for a week of instruction, refreshing, and encouragement. Then in November, we will once again host our annual Labourers Together Pastor’s Conference. This is always a great two days of fellowship as we share with pastors the ministry of Macedonia World Baptist Missions. If you would be interested in joining us, please let us know. You may contact the office at 706.654.2818 or email traviscampbell@mwbm.org.

God is blessing the ministry of Macedonia World Baptist Missions, and we are excited about the days ahead. We thank you for your part in this ministry. We know we would not be able to do for our missionaries what we do without your prayers and support. Only eternity will fully show the lives your support and prayers have touched. If you are ever in Braselton, GA, we invite you to come by our office. We would love to show you around.

Dr. Travis Campbell
Assistant to the General Director
Director of Media
