Prayer Letter

We continue advancing in our mission to arrive to Ecuador. We know and trust that God has control of all things and He continues to open doors so that we continue advancing in His work.

This month we were able to come and visit the US. I was in North Carolina with Pastor Andrade, you could see the big heart they have for the Lord's work. It was a special Sunday where I was able to teach in Sunday school and in the general meeting. God has blessed his ministry greatly. I was also able to learn a lot from him since he has a lot of experience in dealing with missionaries.

I was also with a Pastor named Clark Package, American Missionary to Hispanics. His desire is to work in the planting of Hispanic churches. God is using him. No doubt many need Christ and many more churches are needed. I also had the opportunity to go to the Missionary Jamie Smithey's sending church. I enjoyed visiting the same Church that has sent a missionary to Chile. They have a great heart for missions. No doubt missions are possible thanks to the generosity of all believers.

We were blessed to also be at the Macedonia World Baptist Missions in Atlanta. It is an agency that has been helping many missionaries for many years, and thank God they accepted our family as a missionaries to Ecuador. Our Pastor Jason Kenney helped us make contact and to be able to enter. God keeps opening the doors! We are encouraged to see that there are many missionaries who are on the same path as us.

I was also with pastor Juan Román. On that occasion there was a new family visiting the church and two accepted Christ as savior! Glory to God for that! We pray that many people in Ecuador can know about Christ. I also want to take this moment to give you our update and the plans we have for this year. We are currently at 60% of our needed support. And we trust God that this year we can reach our goal. We pray that God will continue to open doors and that more churches can join.
