Dr. and Mrs. Hamby have been with Macedonia World Baptist Missions since 1975, serving in Ivory Coast, West Africa as church planters and now as the assistant director and the executive secretary.

March 2020

Dear Pastor and Friends,

Our joy and privilege each day is to be able to serve the One who gave His all for us. What an opportunity is ours to share with a lost world about His sacrifice. It is wonderful to serve a risen Saviour! We are thankful for the souls that have been saved since our last letter. It is always encouraging to see folks come to know the Lord and to see Him work in hearts.

Home Office

In January we worked steadily on getting the missionaries 1099's to them and all that is involved with that. We have also been busy preaching in several churches.

The company which created the missions accounting software was bought out, and the new company is no longer supporting that software. We were, therefore, forced to make a very drastic change to a new software that can do what we need to service our missionaries. We have been in the process of training and preparing for the transition which is supposed to happen in the next few weeks. We truly covet your prayers during these challenging days.

New Missionaries

We have had five new missionary candidates accepted and are processing one more missionary. We held two-day Basic Orientation classes which covered deputation and finances so they can immediately begin deputation. What a blessing it is to see some young (and older) people surrendering their lives to His service!

Medical Update

Karen's post surgery follow up went well. She has just begun her twelve week cardiac physical therapy and is doing well. Thank you for your prayers for her.

Thank you for your continued support and prayers. We are grateful that you are partnering with us to reach the lost.

Yours for Souls,

Dean and Karen Hamby
