USA EAST CHURCH PLANTING

January and February 2020

Dear Co Laborers in Christ,

Honored to Serve: As we launch into this year of 2020 we want to thank all of our supporting pastors and individuals for your faithfulness to the Lord and us. Our soulwinning outreach has been truly blessed as we sow the seed of the gospel in church communities such as apartments, housing projects, and trailer parks. We would be honored to come and work with you to fulfill our Lord's Great Commission. Please pray for a Catholic man with whom we shared the gospel that he will truly find peace in Christ.

Working together as our USA East Team, Missionary Nye and myself were invited by Pastor Harrison of the PLBC in Hortense, Georgia to canvass their church community for their revival meeting. Evangelist Bobby McGillard and Lee Stem ministered in word and music. Since that meeting, Sister Becky McGillard has gone home to be with the Lord. As we assist pastors with personal soul winning and door to door visitation the focus once again is on the importance of the local church reaching their community.

Heavenly Home: As many of you remember, Indonesia was our first church planting ministry beginning in 1988. Mrs. Silaban who was saved in our home in Bandung has stepped on Heaven's shore. In January our Pastor Tim Campbell and his wife were able to visit Indonesia and encourage national pastors and families as they labor together with the Ewings who have served there since 1991.

Our friend and faithful Pastor Gary Ledford, is now home in the presence of the Lord. We were honored to attend the funeral service and hear once again the blessings of being a godly husband, dad and compassionate pastor.

Helpers in the Harvest: In February Macedonia welcomed the Muscott family to our USA East Team. They will soon begin deputation to share their burden for reaching international merchant workers with the Gospel. The mission field comes to our seaports as these merchant workers man the cargo ships. Pastors and families our heart's desire is to see this young family reach their field that is white unto Harvest. You may contact them at blakemuscott@mwbm.org.

Looking Unto Jesus,
