Church Planters in New York City

Maggie & Richard

Winter, 2020

Greetings in Jesus' Name:

We just had a tremendous Revival with Bro. Scott Pauley. We highly recommend him. Many were encouraged in the Lord, but the eternal fruit may prove to be the professions of faith among those who attend regularly. Every Preacher is always concerned with the "lost" that attend every Sunday. Perhaps the greatest mission field of all is in the pews before us! Three of those "regular" folk, and a first-time visiting teenager made professions of faith! To God be the Glory!! And all four were in Church the following Sunday ready to truly Worship.

Please pray for God to "jump start" our Teen Ministry. The Teens always present a unique challenge, and the burdens of this generation are great. Two of the four professions were teens: one was the visitor, while the other has been raised in Church and made a profession as a child. He said he "just weren't sure" so he settled things with the Lord during the Revival. We desperately need to reach our young people as social media looks to brainwash them against the Word.

Please pray for our efforts start a Church in Trinidad. Our assistant pastor is 77 and last winter had a dramatic health scare. He has had a burden to start a Church in his hometown for years, and promised God if able to get up from his bed of affliction...he would get busy. Two of our men went to Trinidad in February and worked tirelessly on the structure. As of this writing, one man has returned home while our Assistant Pastor will stay to help. A veteran missionary from BIMB is assisting in the work, and they have already started having services. Please pray for souls to be saved, and for a permanent Pastor to be trained.

Please pray for our upcoming Evangelistic endeavors. We have a Teen group coming just before Easter, a big one-day outreach in a public park in August...and in about a month the Preacher Boys from West Coast Baptist College will be here for a summer of Jewish Evangelism. We plan on canvassing the neighborhood several times with door knockers and soul winners for the 10-12 weeks they will be in NYC.

Thank you for your faithfulness in prayer and financial support.
