Interim Director for MGPI

Jan/Feb 2020

Dear Pastor and praying friends,

Greetings in that name far above all others, Jesus Christ our Lord. We are so very grateful to those of you that pray for us, and support us in what we are doing for the Lord. You mean so much to us.

I trust the Lord has greatly blessed you and your ministries in this new year. I feel bad about always saying that time is flying by, but my how the time is flying by! 2020 has proven to be a busy year so far and we are looking forward to all the Lord has for us to do in the days and months ahead. Even though we are quite busy, I do have several open dates if anyone would like for us to come by your Church and give an update, or to just do whatever we can to be an encouragement, especially in the area of missions.

In this new year the Lord has blessed us here at MWBM in giving us several new missionary families. Although none of these are going to Mexico or Central America, we still pray the Lord will send us some for there as well.

In the MGPI Print Shop we continue to supply good Gospel tracts around the world.

This half of a million tracts were just recently shipped out on their way to souls in Central America. It is such an honor to share the salvation message through Gospel tracts

Could we help you with the tracts for your Church or missionaries needs?

In February the Lord opened the door for me to do something I never thought I would do. As Field Director for Mexico and Central America, I never thought I would have the opportunity to make a trip to South Africa!

Tickets were given for me to fly to South Africa, and what a wonderful trip it was. I only wish I could have had more time there. I was able to preach in three different Churches, and what an honor it was. I was able to see three of our MWBM missionaries that are there in South Africa and preach for them, Bro. Brent Bergey, Bro. Kevin Hall, and Bro. Jeremy Hall.

A dear national Pastor

It was an experience I may never have again, but I was certainly blessed to share the Gospel in that far away land. Not only did I preach Jesus to a large number of people, but a great blessing to me was to hear that several of the missionaries children were blessed by the preaching of God's Word. That means much to me.

Pray with us that God will supply for upcoming trips. Other missionaries are asking us to pray, and try to be with them this year as well. My next trip is to Mexico, and I will share with you how the Lord blesses. You are a part of everything we are able to do for the Lord.

Thank you again for your prayers, support and encouragement.
