Church Planters In Colorado

JAN/FEB/MARCH 2020

Dear Praying Friends and Supporters,

God is so good to all of us all the time if we would just take the time to notice. He is always at work and looking to “shew himself strong in the behalf of them whose heart is perfect toward him.” When we pay attention, God is involved and interested in the little things in our everyday life. Glory, Glory, somebody say, AMEN!!

After our last prayer letter and the mention of no snow, the Lord sent a Saturday snow. It was the best kind of snow to get. Enough to play in and then gone by late afternoon. No shoveling required!! We had people stopping to take pictures with our snowman. See, God can use everything to open a door to witness.

These first months of 2020 were very prosperous for us. We have been able to renew friendships and rekindle a burden for Colorado in our supporting churches. We have also added at least 4 new churches for support. We are still humbled to see God work in hearts for the work God has called us to do. Keep praying for God’s power, protection, and pinpoint accuracy.

We know God is in control of the current situation. We are praying for God to use it for an effectual door to be opened and hearts to be receptive. The current message from most mainstream religious leaders is “We will make it through”. What if they don’t? Where will they spend eternity? Where are the preachers who trumpet, “Prepare to meet thy God? God help us to be available and operational to seize the opportunity that is created. Pray for us because while writing this letter we are currently under a shelter in place order by the governor and local officials.

Cultivating In Colorado,

Teddy Angel
