May 2020

Dear Pastor and Friends,

In these days of so much uncertainty, we know we must trust in the One who has everything under His control. Praise the Lord for His watch care over us during the Covid-19 pandemic! Even though it is not over, and things won't be back to normal for sometime, we are thankful to know that we can rest in the truth of God's Word and that He will see us through.

### *Open Doors*

With the coronavirus comes challenges for pastors. In order to keep their congregations safe, pastors and churches have become very resourceful. Many pastors are taking advantage of social media. I had the opportunity to preach via Zoom to our son's two churches in Quebec, Canada. There were even unsaved first-time visitors who were able to hear the Gospel. Pray that their hearts will be touched and that someone would be saved. Some missionaries have been able to present their burden via social media, etc. Praise the Lord for these open doors.

Another challenge for everyone is finances. Pastors and churches are seeing their offerings going down, and many of their people have been laid off or lost their jobs. Missionaries on deputation are facing difficult times as well. Most had already quit their jobs before the pandemic began, and now meetings have been canceled. But, in spite of it all, we know that the Lord will see His people through these difficult days.

### *Home Office*

The process of training and preparing for the accounting software transition is supposed to take place this month. We truly covet your prayers during these challenging days.

We are looking forward to being able to start back with meetings as soon as churches begin to hold regular services again.

We are thankful for your continued support and prayers. We know that it has not been easy for the pastors and churches, but we truly appreciate your faithful giving, even in challenging times.

Yours for Souls,

*Dean and Karen Hamby*
