Prayer Letter  
March-April 2020

May 1, 2020

Dear Prayer Partners,

This past two months has been a real challenge, not only in the United States but all over the world. We are praying for each of you.

We are still giving out Gospel tracts and witnessing the Gospel of Jesus Christ. A lot of folks won't take a tract hardly any more, however when we take food from the food bank to them, they do not refuse the food or the tracts. We deliver a lot of food to the needy and this is an opportunity to witness for the Lord Jesus Christ.

A good part of our congregation work in construction or farms. Their hours are fewer but they are working and have an income of some kind. Construction and farm work are considered essential here in Florida.

We had to quit picking up folks as when someone sneezes in a van everyone there will be contaminated. We have two of our ladies taken to the hospital and were kept 3 days each in the hospital assuming they were infected with the virus and sent home three days later when the test came back negative. AMEN!

We went down to Sunday A.M service only. We had plenty of room to separate and stay 6 feet apart as many of our folks do not have transportation. We plan on having 3 services a week soon. AMEN!

For those of you who know our dog "LOUIE", a fox terrier: he was diagnosed with thyroid problems and had gained 5 pounds in a few months. Our vet in Pisgah, AL, Michael Schaffer, at Mountain Top Animal Clinic, one of our supporters for many years has cared for him and about 10 of our different dogs through the many years.

Please pray for: more souls for Jesus Christ, our folks out of work and the nation to go back to work soon, this virus to go away and those exposed to have antibodies to protect them in the future, and our nation in general.

Thank you all for your faithful prayers and financial support for us and all Bible preaching missionaries.

*Bro. Ben + Belinda*
