Dear Pastor and Church,

I apologize for the delay in your prayer letter we have been having computer and printer issues that we finally were able to fix. The past few months have been different because of the Coronavirus going around but we thank God he has keep us safe so far and for that we are thankful. Last Sunday was the first Sunday that we were able to hold services in person since late March, it was a blessing to be able to preach and fellowship with God's people again.

Our son Samuel had surgery the end of March to repair a torn meniscus that he damaged during practice. He hasn't been able to put any weight on it at all and will hopefully be able too once he see's the doctor next week. He is healing well and doing physical therapy pray that he will continue to heal and regain full use of his knee again.

We want to thank you for your prayers and your financial support and may God bless you greatly. May our churches see the need for missions through out the world and also on our own shores.

In Christ's service,

*Daniel Vaughn*
