

The Worley's

Church Planting
Missionaries to New Mexico

April 2020

Dear Prayer Warriors,

It has been a crazy last couple of months. We have seen God move and he still in control. Psalms 135:1 "Praise ye the Lord, Praise ye the name of the Lord praise him O ye servants of the Lord."

We have seen God do great and wonderful things at Mountain View Baptist Church. We had three people follow in believer's baptism. One young man and two young ladies. All three of them are showing a great desire to serve and grow in the Lord. In February we started outreach one Sunday afternoon a month. For our first outreach we had fourteen people show up to go knock on doors and reach people for Jesus Christ. Our people are growing in the knowledge and love of reaching others for Jesus Christ in the community.

In the month of March, we had the Jenny Family in Joy's sister and brother in law church planters to the State of California. They were a blessing to our church and helped our people see a need for churches in the United States and around the world. It was exciting to see our people give with a cheerful heart not just of their money, but of their own possessions to see the Jenny Family loved and helped. I am looking forward to seeing our people hearts for missions grow in the future.

We have had to go to online services right now, but I am praying that the Lord will use this tool for his honor and glory to reach our unchurched community for Jesus Christ. Joy has been able to do a woman devotional and a children story time to encourage the women and children in Jesus Christ. Our people have been faithful watching the serves online and I am excited to see some peoples unsaved family members and friends hearing the Word of God. I am praying during this time our church family will grow closer together and closer in their walk with the Lord. May we all never take for granted the freedom in American to come to church and worship our Savior.

I am looking to the light at the end of the tunnel. As a pastor this is the hardness thing to go through being separated from your congregation. I am excited for everyone to get back to church so we can continue to see growth and get out in the community to reach others for Jesus Church. I want to ask everyone to pray for the upcoming revival in June with Evangelist Alton Beal that our people will grow in the Word of God and the lost be reached with the gospel of Jesus Christ.

Remember Christians continue to stay faithful living for the Lord and sharing the Gospel with the lost world around you. Christ is coming back soon, and Heaven is our home we are just passing through!

Yours For the Master Builder,

Caleb and Joy Worley
