MAY 2020

May Highlights:

We have been able to stay with Cassandra's parents during the month of May which has been both a financial & family blessing. It has also allowed us to begin visiting some of our supporting Churches in the Northwest.

1

Thank you

We are so thankful for our Supporting Churches continuing to give so generously during such a difficult time.

2

Return to Argentina

As of right now Argentina plans to lift their travel ban on September 1st. We are planning to return as quickly as possible after they reopen.

3

Schedule

We are starting to be able to visit more Churches and schedule some more meetings between now & September. We are looking forward to continuing to see God work in a mighty way

Ministry needs:

Hill Family- \$800 a month more for our ministry budget this furlough.

Safe travels back to Patagonia when the borders open.

Restart of our baby Church after this Global Shutdown.

SetUp Fund- ~~\$15K~~ \$14K

Airline ticket prices have fallen which will allow us to re-enter Patagonia for much less. Also we are trimming all our needs to minimal amounts.

Praise the Lord!!

\$1k given for Washer & Dryer

Back on the road again

With our country starting to open back up again we have been able to start visiting some of our supporting Churches & schedule some new ones. During this pandemic **God has given us 2 more New Partnering Churches to bring us up to 7 of the 15 we are praying for** during this furlough. We have been so touched and blessed by the faithfulness of all of our Partnering Churches during this time of crisis.

Of course our current challenges are traveling to our Meetings and trying to navigate around the current riots and protest in most

major cities. Please pray that God will continue to give us His grace, wisdom, & protection as we travel & serve Him.

Our hearts are longing to be back with people the Lord has given us to work with especially during this trying time. We still need **8 New Partnering Churches** to be at 100% our ministry budget. We will be continuing to move forward with whatever God provides for us to work with. We know that we couldn't do this without your faithful prayers & support. We are so thankful for each of you.
