

The James Kotvas Family

Missionaries to Peru, South America and Beyond

Dear Prayer Partners,

Wait on the LORD: be of good courage, and he shall strengthen thine heart: wait, I say, on the LORD.
~Psalm 27:14

Thank you for your faithful prayers and financial support. We are so thankful that in the midst of uncertain times, we have an unchanging God. In spite of the difficulties and challenges which we are facing, our Lord is working in tremendous ways in the world. We must never forget that we live in a day of opportunity.

These past three months have been exciting even though they have not been what we expected. Other than some short trips we have been based mainly here at our home church. This has provided some needed time to seek the Lord as well as various ministry opportunities. During these months we have participated in a prayer conference, discipleship training, various Spanish virtual conferences. I also had the opportunity to preach and teach in Ecuador. While the pandemic has been a challenge for churches, we definitely have explored new ways to reach out globally through technology.

For the past couple weeks I also had the opportunity to lead our Spanish services at Falls while the Spanish pastor was away.

One blessing from being home has been the opportunity to connect with my pastor, missions

pastor, and other leadership at our home church.

We are continuing to seek the Lord for our next steps and are very excited about what He is doing. July 20-24 our church is hosting a modified version of VBS called the Family Extravaganza. We will be involved with preparations for that over the next several weeks

Ann was able to keep in touch one of the NICU nurses from when Jimmy was born. This week, she went to her home and visited with her for quite a while. She has many questions about the Bible. While we were at the hospital we had several conversations about the Lord. Due to the coronavirus we had not been able to visit her, but she is excited to start a Bible study.

It has been nice to adjust to having two little ones around! Elsie is doing very well and is quite the toddler. She loves being a big sister to her new brother. Thank you for your prayer for Jimmy. He just turned 3 months! It is hard to

believe time goes so fast. The doctor was amazed at how well he is doing when Ann took him in for a checkup last week. Praise the Lord there seem to be no long lasting effects and Jimmy is a healthy growing little boy. Thank the Lord for miracles!
