"Yea, so have I strived to preach the gospel, not where Christ was named, lest I should build upon another man's foundation: But as it is written, To whom he was not spoken of, they shall see: and they that have not heard shall understand."
Romans 15:20-21

Greetings from New Mexico! Wheeewww...what a blast the past three months have been! We have much to tell this letter.

Covid-19 did not put a stop to March Madness for Liberty Baptist Church. While it is more difficult to knock on doors when nobody and I do mean NOBODY, will open to you; it just forces you to be more creative about how you witness. Face-to-Face is more difficult due to the scares that people feel when approached by someone in a mask. However, carefully we were still able to testify to many folks and reach them with the gospel. Some even took our tracts. We busily placed tracts on bulletin boards around town and left them in Laundromats for eager souls to snatch up.

We haven't let up at all. We are still preaching three times a week at the church. We have chosen to look at the circumstances that we find ourselves in these days and use them as a springboard. Our church is not empty, we've been deployed! The message of the gospel is still ringing out from Bernalillo, New Mexico. We haven't been hampered at all by the governor's health restrictions. As a matter of fact, we praise God that we've had to run to get ahead of the learning curve with technology. We are reaching people that probably would never have darkened the door of the church due to the oppressive nature of the mainstream religion in this state. We have already been approached by someone who is interested in getting a church started in their area. It looks like a new church plant just might be birthed from all of this!!! Praise God for His goodness! Our Spanish messages are reaching folks in New Mexico, Mexico, Central America, and South America! God just keeps blessing the work on every hand. Please keep praying for us. Pray for the Native American reservations around us. We are blessed with areas that are difficult to get into. Now, they can hear the gospel from their cell phones and computers. Pray for the light of the glorious gospel of Christ to reach them.

Thank you for praying for our daughter Katie and her fiancé Manny. We had a drive-in wedding in Peña Blanca, NM for them this past Saturday. I had the awesome privilege to perform their ceremony. They are so happy. Please continue to remember them in your prayers as they begin their life together as husband and wife. Also, thank you for praying for our son, Joshua. He just graduated from High School. He is already talking about college in the fall. He wants to get enrolled in our Bible College while attending classes at one of the universities here in New Mexico. Pray for him as he takes this next giant step, that the Lord would keep His hand upon him.

We want to thank you for your faithful prayers and support of the ministry the Lord has called us to. We couldn't do what we do without you. Your missionaries...
