Dear Pastor and Friends,

*Beloved, thou doest faithfully whatsoever thou doest to the brethren, and to strangers; III John 1:5*

As we all know, this has been a difficult time for everyone. We are so thankful for your faithfulness in supporting us during this time. We know that your support is a great sacrifice on your part. We will pray that our Lord will bless you and supply all your needs and keep you safe.

We have not been receiving as many tract orders from local churches during this time. Although church visitations and tract distribution is limited right now, we are preparing for that time when churches can return to normal ministry outreach. We are working to keep our stock of tracts available.

We do have a large order for 600,000 assorted Spanish tracts that we are working on right now. This is for Pastor Noe Mendoza who heads up a distribution center for distributing these tracts throughout Mexico and Central America. The paper cost will be \$3,916. The cost of ink will be about \$200. We have \$3400 that has already been given through Bro. Carl Braswell. Pray with us that the Lord will supply the rest of the cost. Also pray as we print that the press will run well.

I mentioned the cost of printing these tracts because without your generosity this ministry would not be possible. The cost of printing these tracts is very low when you consider what it would cost to rely on commercial printing. I have seen tracts offered online for as much as \$120 a 1000. Because we are supported by God's people and working together with

you to evangelize the world, we can print these gospel tracts at an exceptionally low cost.

However, our main problem due to the coronavirus restrictions is that we will have to delay most of the folding until later this summer. We want to make sure it will be safe for our volunteers whom we depend on to help us to complete these large tract orders.

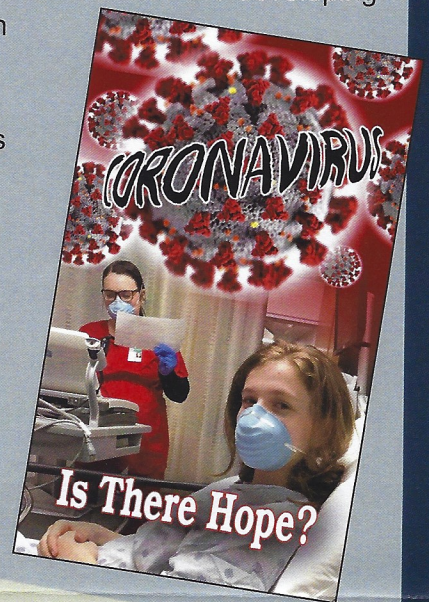

We have received several calls for a tract on the coronavirus. Bro. Richard Vance and I are developing this gospel tract and plan to have it ready in a few days. This coronavirus tract called, "Coronavirus Is There Hope?" is similar to the very popular tract "Is There Hope?" We believe it will be a timely gospel tract to speak specifically to people's spiritual concerns regarding a pandemic crisis. This new gospel tract explains why there can be a pandemic and presents a clear message of Salvation.

Again, we want to thank you for your faithfulness in supporting us financially and by your prayers.

In Christ's Service,

*David & Florence Wade*
