

Dear Praying Friends and Supporters,

Even though we may not understand all that is going on, we can be sure that God has a plan. It will be amazing to look back and see what God did through this time of uncertainty. We are in the days that will undoubtedly usher in the "*glorious appearing of the great God and our Saviour Jesus Christ.*"

We thank all of you for your faithfulness in supporting our family with prayers, encouragement, meetings, and financial support. Despite the "circumstances" God has allowed us to gain supporting churches. We are easing back into the traveling, reporting to supporting churches, and booking new meetings. It may never be as comfortable as it was pre COVID-19, but maybe that is a better thing for the cause of Christ. In a day where complacency and apathy are commonplace, this may be the very thing that keeps us on our knees, in His word, and on the field till He comes.

There have been ample opportunities to give REAL HOPE. We were recently in a store and wondered why a couple kept backing away while we were putting things in our cart. They told us they would wait until we were finished due to proximity restrictions. Eternity was mentioned and they commented about hoping to make it. We were able to tell them of the certainty that is in Christ and His promise of ETERNAL life.

We were able to attend orientation at Macedonia World Baptist Missions via online videos. We have a great wealth of wisdom, experience, and godliness to equip all of us in the good fight of faith. Their heart for God and the missionary really shows in the preparation and efforts in everything they do. Things change constantly, but it is our duty to find the most effective way to continue our MISSION!
