

BRUCE AND LYNN BERRY

FIELD DIRECTOR
FOR SPANISH-SPEAKING
SOUTH AMERICA

Prayer Letter – July 2020

Dear Praying Friends,

NEW MINISTRY OPPORTUNITIES

In the last few months, our 18 missionaries to Spanish-speaking South America have had to, out of necessity, change their methods, but *their purpose has remained the same. They are creatively and actively evangelizing the lost, edifying the saved, and exalting our Lord.* Jaime Smithey, one of our missionaries in Santiago, Chile, has broadcasted services, through Facebook, to viewers from over ten different countries and has been able to reach thousands of people whom he would not have reached otherwise. Please continue to pray for our missionaries, as they seek divine direction in their efforts to do the important work of God in their respective fields.

VISA RENEWALS

The pandemic has also made it more difficult to communicate with the government agencies that control visa renewals. Our missionary to Valledupar, Colombia, Michael Hart, is trying to renew his visa, but he is facing this challenge without being able to converse with those in charge. Join us in praying that he would be successful in obtaining this necessary paperwork. Also, Joshua and Abigail Owens, missionaries to Argentina, are seeking visa renewals. Please join in praying for them as well.

GREAT EXPECTATIONS

We have two expectant mothers among our South American missionaries. Camilo and Mariela Encina, missionaries to Ecuador, are expecting twins. Joseph and Zulema Kotvas, missionaries in Peru, are also expecting. Please join us in praying for these two families. We just learned that Joseph has tested positive for corona virus, and they are taking special precautions to make sure that Zulema is not affected. Please join in praying for her in this precarious situation.

Thank you for your prayers and financial support for our ministry. We praise the Lord for you.

In Christ,
Bruce Berry
