To our Beloved Brethren in Christ,

July 2020

It is hard to believe that the year of 2020 is more than half gone already. Our report for July begins with what we would say are *the perplexities of life*. We were 3 hours from home, scheduled to present our missions burden, and preach the next morning; 10 minutes after arriving, Noah fell and broke a bone in his left arm and fractured another.

Due to the pain in his arm, we decided to return home and rescheduled the meeting for August 2nd. I cannot explain these circumstances, but I know that God used a 7 year old boy to get the Gospel into a regional medical center ER that night. While waiting to be seen, and while crying quite loud, Noah and I soon had folks gathered around us to check on him. Just then, my little boy said, "Daddy, do you have your tracts?" I said "Yes, I do son." Noah then began to invite the nurses and security guard to church the next morning. Before we left, we had placed the gospel into several hands and asked God to place it into those same hearts! I am convinced that a sodomite, and a man very near death's door received the Truth that night. **Please pray for these souls to be born again from above—for they must if they would escape an eternity in Hell.**

We have travelled throughout East TN this month and presented God's work in the Northwest USA to several churches, and it has been a blessing. Amidst the perplexities of life, we have saw *the provision of the Lord* at each step of the way. Our Lord has proven Himself faithful again and again. We agree with Paul, and say: "Having therefore obtained help of God, I continue unto this day, witnessing both to small and great..." (Acts 26:22). We have witnessed to both *Doctor* and *drunkard* in our travels this month and know that we have been helped by God and therefore continue because of His grace. If only men would repent toward God and believe upon Christ!

We ask that you would **please pray** for Noah's continued healing in his arm. Things are progressing well with him, but he has pins to be removed on Aug 10, and a minimum of four more weeks in a hard cast, and a few more office visits.

We ask that you would **please pray** for God's power to rest upon our lives and for us to be a blessing everywhere we go to both sinner and saint.

We ask that you would **please pray** for our schedule to fill up according to God's will and for God's glory.

We ask that you would **please pray** for our trip into Oregon & Idaho which is now rescheduled for Sep. 10-17. We need wisdom and discernment to find God's direction for where He wants us to begin ministering after deputation. **Please continue to pray for our deputation travels.**

****Please continue to pray that our children will be saved.****

WE ARE THANKFUL for Fellowship BC in TN **Because He first loved us,**
partnering with us this month. **The Cooleys (Rev. 22:21)**
