May- June 2020

Dear Pastor and Church,

In our last letter we spoke of great faith and great fear. Our faith and hope are only in our Lord and Saviour Jesus Christ. But our fears are in the flesh and its weaknesses. We heard a good message this past Sunday on the devil is our enemy and how God has made available to us all the tools we need to fight against the wiles of the devil. We read in Ephesians 6:11, "Put on the whole armour of God, that ye may be able to stand against the wiles of the devil."

"Necessity is the mother of invention" is a saying that many of us have heard our whole life. Paul spoke of his need/our need of what we should do to reach people with the Gospel of Jesus Christ. We read in First Corinthians 9:22, "To the weak became I as weak, that I might gain the weak: I am made all things to all men, that I might by all means save some." Many of you, like myself have never really had much of a desire to understand media tools or use them but I have had to learn how to make videos, do live streaming, use Zoom and do live videos on Facebook just to name a few that I have had to google for information and instructions and utilize in the preaching of the Gospel of our Lord. Another saying I heard a lot while growing up was "If at first you don't succeed, try, try again." Now I say "If at first I don't succeed Google, Google again." We have been preaching to more people than ever and having a lot of positive feedback which is always encouraging.

The state we live in is under stricter rules than the rest of Indonesia. Our governor has declared us a yellow zone and we are forbidden from having church service until July. We are praying that come July we will be able to meet again. As always, we want to thank each of you who pray for us and give to keep us on the field.

Love in Christ,

Stanley & Melinda
