Dear Prayer Warriors,

Greetings in the wonderful name of our precious Saviour, Jesus Christ. I pray this letter finds you physically well and spiritually grounded in the truths found in God's Holy Word. Anita and I are so thankful for your financial and prayerful support. The whole world has been turned upside down because of the Coronavirus and America is suffering from widespread distrust, hatred, and violence. We are truly living in some of the most difficult times of our lives. More than ever, we must be diligent in the Lord's work especially in these trying times. Remember, we are more than conquerors through Him that loved us! Thanks be to God, which giveth us the victory through our Lord Jesus Christ.

The world in which we live is changing almost by the hour. Fear, coupled with financial and physical concerns fills the hearts of people everywhere. We must be attentive to our focus being sure it is not hijacked by the cares and concerns of this world! Souls are still lost and dying without Christ and headed to hell for all eternity. Remember, God's love never changes, God's Word never changes, and our God never changes! The mandate given us from our Lord and Savior, Jesus Christ, has not changed. The mandate to reach a sinful world with the good news of God's love is still our focus! **Winning souls and planting churches is Scriptural and still our responsibility.** **"The fruit of the righteous is a tree of life; and he that winneth souls is wise."** Proverbs 11:30

Your prayers and financial support are needed by your missionaries now more than ever. Missionaries are having to learn and implement new technologies in their ministries to continue their ministries. Some countries still have very strict restrictions forbidding people from leaving their homes except for specific days and specific hours. Being caught leaving their homes outside their allowed day or time carries large financial fines and even the possibility of jail.

Missionaries in the West Indies continue their labor of love even among very difficult times. Even in the midst of difficulties they are faithful exhausting every available avenue in reaching souls. Anita and I are doing all we can to be a help to our missionaries as we are allowed. So many restrictions with travel outside the country and these restrictions change rapidly, even without notice. Your prayers are needed more than ever. We need the power of God and His leadership to be able to do more in these restrictive times.

In His Service,

David Fenley
