CHURCH PLANTING MISSIONARIES TO UTAH AND THE SOUTHWEST

Hello Pastor and Praying Friends,

June 2020 Prayer Letter

John 4:35 "Say not ye, There are yet four months, and then cometh harvest? Behold, I say unto you, Lift up your eyes, and look on the fields; for they are white already to harvest."

On June 25th, we began a long drive to Logan, UT where we had the pleasure of being with Missionary church planter Nathan Kirkman and his church for their Intermountain Baptist Ministries Vision Week. As we drove across ten (10) states, roundtrip, we again laid eyes on the great need for Bible believing churches across much of this great nation. If you are wondering where the next great harvest may be, consider what our Lord said to His disciples as you look to the western part of our country where many have sat for multiple generations with little to no Gospel witness.

We would like to thank everyone for your prayer and financial support; especially during these tough times. We have enjoyed two very busy months of ministry as we have traveled more than **10,000 miles**, through **thirteen (13)** states and **eighteen (18)** churches. We praise the Lord for every door of opportunity He has opened for us. We have enjoyed meeting new friends, seeing souls come to Christ and sharing our burden for the people of Utah and the Southwest. We are still amazed at what the Lord is allowing us to do.

We are excited to announce that we have heard from **five (5)** more partnering churches. We began asking everyone in June to help us pray for five new supporting churches by the end of July. It seems that we were selling the Lord short since He chose to meet that request by the end of June! We give Him all the glory and honor for it.

We are ending the month of June in Logan, UT and will begin the month of July in St. George. This will be our second opportunity to survey the area and we really want the boys to be able to see, what will soon be, our new home and be even more excited about it. We are also seeking the Lord for some specific areas to begin praying about.

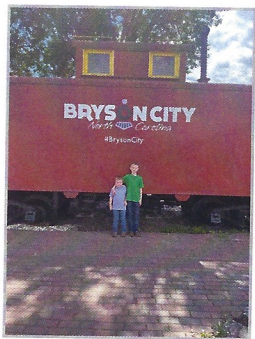

Our prayer requests and needs:

1. We are praying for **FIVE (5)** new supporting churches in July!
2. We are getting to a point where we need to replace the tires on our van soon.
3. Would you help us pray to see souls saved?
4. Would you pray for laborers for the harvest?

For Souls in Utah,

The Howard Family
