Dear Praying Friends, and Fellow Laborers,

MY VERSE: "Now unto him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us," (Ephesians 3:20). This verse has become my life verse. We have seen God do so many amazing and wonderful things.

MINISTRY: Our ministries in Morganton and Marion, NC, are all locked down and quarantined because of the virus. We really miss ministering to these folks. We do try to keep in touch with the churches in Cyprus, and minister to them as well when we can. We are always open for meetings.

PRAISES: Our granddaughter, Ashley Tinsley, is recovering well after many weeks of feeling weak and sick because of her hemoglobin levels being very low. The last report showed it up to 12, which are very good, but needs to rise a few more points. Praise God for helping her to recover from a bad experience from using antibiotics. We thank all of you who prayed for Ashley.

Still serving Jesus, until He returns,

The Tinsleys
