ANNIVERSARY: 03 Agosto

Progress is a blessing. This month we have had the blessing to see progress in several areas all though we are now on month five of quarantine.

The Chilean government has laid out a program called “Step by step” to be able to start opening up the country. It puts areas on one of five steps. And depending out what step your community is on it depends on your restrictions. But it is also possible that a community can get to phase 3 and regress to phase 2 or 1, depending on the number of new cases. Due to this, many pastors and people we have talked to do not think we will have the opportunity to have in person services until phase 4. Here we have to wait for approval of the government to open the church.

At this moment, we are in phase 1 where we are in a strict quarantine. Because of this we have been still meeting online for all services. We are thankful that we have had a few visitors in some of our online services. In which one couple accepted Christ as their Savior! They have been faithfully attending ever since. Many of our other attendees have remained faithful during this time. We have seen several step up to the plate and have been growing in the Lord. This month we have also had a couples meeting where we had a guest missionary from Puerto Rico preach the message. We also were able to have a ladies meeting and we had a guest missionary wife to Morocco that taught to the ladies. The people have loved the opportunity to meet other missionaries. We are thankful to see how the Lord continues to work and lead in people lives.

## Prayer Requests

- Wisdom and direction from the Lord
- Growth spiritually of the members of the church
- New Visitors to be reached via online service
- Health of our family: mentally, physically and spiritually

We appreciate each and everyone of you as we continue following the Lord during this very unsettled time. We are blessed to have each one of you as part of the team of reaching Chile with the gospel.

God Bless,  
Ivan, Susan, Chloe, Sofia and James Chacon
